### THE NATIONAL REGATTA

The Blue Ribbon Aquatic Event of

Washington, D. C., April 2.—The securing of the national regatta for this August 12 and 13 on the Potomac River was a clever move on the part of the Potomac Boat Club, which made the bid for the affair, and President Charles G. Warden and his able lieutenants are coming in for high praise on securing the blue ribbon aquatic event of America. There was no regular regatta scheduled for the Potomac River for the present year. Baltimore was on the spot sent for the Labor Day regatta of the Middle States Association, and last fall the local press advocated the bringing of the national to this city, and the Potomac grasped the idea and went after the affair, and the result was foregone, as the oarsmen of America always want to come to Washington.

Boston wanted it badly, but on the pretext that their new causeway was not completed they withdrew, though at the same meeting the New England Association had July 4 given them for the day of their big race meet. Baltimore set up a claim of straw, while Saratoga made a feeble bid, and both were wiped away when they saw an almost unanimous disposition to vote for Washington.

It was but another vote of confidence in the ability of the Potomac Boat Club to manage such national affairs, as their record of three Middle States regattas held here by this club has given them 2 world-wide international reputation among the oarsmen, and it's up to the membership to keep up that reputation by making the two days' national of 1910 the greatest regatta America has ever seen.

Claude R. McPherson, the delegate from Washington, of the national association, states that the sentiment everywhere was for Washington, and he is confident that the regatta will attract the most famous oarsmen, and President Pilkington and Secretary Fortmeyer, of the association, were enthusiastic in stating that they regret that Washington would be taxed to house the crowd that would flock here to see the regatta.

To boost this feature of the regatta it is expected that the convention committee of the Chamber of Commerce will get busy, and by the distribution of literature induce many from far away places in Canada, the extreme Northwest and South to visit the city during the regatta. They are going to make it a going concern, and the by-standers on the convention committee are backed up by the full Chamber of Commerce, and visitors will see Washington at its best, even though it is midsummer.

The action of the Chamber of Commerce in leading its activities and co-operation to the Potomac Boat Club to make the affair a civic and aquatic success, will be followed, it is hoped, by the Board of Trade, which will be asked by the Chamber to help along the city affair. Commissioners Rudolph is an enthusiastic exponent of aquatics and rowing in general, and as the head of the District government is very much gratified that Washington secured the regatta.

The National Association of Amateur Oarsmen of America in awarding the 1910 regatta to Washington acted wisely, and will redound to the credit of these in charge. The two days of classic rowing events will attract the best oarsmen of America and our northern British possessions. It will stimulate interest among the oarsmen in both halves of the globe, and there is no doubt our generous public will respond to the call liberally when sent out by the committee in charge.

President Taft, who is an ardent oarsman, having pulled on Yale varsity crew, stated that the Potomac River will be used for the national regatta, repeating what he said last year, that he hoped the stream would become the center of his rowing races for our whole country. He told the representatives of the club that if he was in Washington the two days of the regatta he would be glad to see every oar.

As usual, the United States will throw its strong arm of protection around the races of the day of the regatta, and ships of the United States revenue cutter service will be on hand to see that every safeguard for protection of the life and property of the oarsmen is looked after, such as clearing the course and preventing sailing or steam craft from crossing or moving up and down the course while the races are in progress.

Another reason advanced for the change of the day of the regatta was that August 12 and 13 the tide would be about at the time the races were started, thus making the water conditions favorable. These computations of tidal effects were furnished the committee by Louis A. Fischer, of the Annapolis Club, who is connected with the geodetic office and is an authority on tidal conditions for this section.

## BURNS AGREES TO FIGHT LANGFORD

Will Meet Near San Francisco.  
Other Sporting News  
Gossip.

Sydney, Australia, April 2.—W. W. Naughton, Examiner, San Francisco: Authorize you to sign for me fight Langford, Hester's Club, September 5. Have granted \$25,000 for me, win lose, draw. Deposit: First National Bank, Oakland, and forward two transportation. Will cable bank \$5,000 for appearance in ring. Answer paid.  
(Signed) TOMMY BURNS.

San Francisco, Cal., April 2.—The foregoing cablegram received from Tommy Burns, explains the offer made to Burns by the local promoter, Sid Hester, in connection with a fight with Sam Langford in this neighborhood on September 5. Burns evidently thinks well of the scheme, and is eager to close the deal without delay. The promoter, it is to be presumed, is just as anxious to clinch the match. Otherwise he would not have placed himself in communication with Burns, who is at the other end of the world, and would not have made such a handsome offer.

It is said a match well made is a match half won, and on the same plea, a match half made is no match at all. Manager Woodman, who directs the fighting fortunes of Dusky Sam Langford, sends word from Los Angeles that he has not been approached yet on the subject of a Burns-Langford bout, and it seems as though Hester has been dicker with Burns alone.

Woodman says he is ready to talk terms with Hester, and it is up to the lad who discovered Richmond to show that he means business by making the necessary arrangements with Woodman, and then complying with Burns's demands.

Bert Igoe, the well known newspaper man, is now at the helm of Stanley Ketchel's ring affairs, and is evidently bent on having the famous middleweight work back to condition. A message from Igoe tells that Ketchel, who left Pittsburgh for Woodlawn Inn, to train for his six-round contest with Sam Langford, which takes place at Philadelphia late in the month.

Tommy Ryan, who once coached Jim Jeffries, and who, it is said, will be Jack Johnson's principal aide and adviser, when the matter comes to Seal Rock Hotel, will assist in Ketchel's preparation, and will also be one of the Michigan boys' seconds. It is doubtful, however, if Ryan will be able to help Ketchel in any way.

Stanley is a natural fighter, and it would be unwise for him to alter his style, so as to conform with Tommy Ryan's notions as to how a punch should be delivered.

With Ketchel everything depends upon condition. Properly trained, he has a way of fighting that is overwhelming with the majority of his opponents. Ryan may be of service, if he sees to it that Ketchel's preparation is thorough, but if it is Tommy's intention to teach Ketchel new ring tricks, he may do more harm than good.

In a very few days now Jim Jeffries will be in the full swing of training at Rowdennan, near the sea. Manager Sam Berger, who returned from a hurried trip East night before last, is going to the mountain camp to-morrow, to see that the new handball court and gymnasium are ready for the big fellow. And in the meantime Jeffries will work his way north from Los Angeles.

Jeffries and Berger will meet in San Francisco on Monday, and will then in all probability journey to Rowdennan together. Bob Armstrong and Farmer Burns will assist in Jeffries's preparation, and later Frank Gotch and Jim Corbett will join the camp.

### SACTION GIVEN FOR MANY GAMES

Two hundred and two athletes registered in the South Atlantic Association of the Amateur Athletic Union during the month of March, according to the report of Chairman C. E. Beckett, made public to-day.

This is a normal registration for March, but the list made public to-day contains for the first time the names of athletes from North and South Carolina. There are also a number of registrations of enlisted men in the army and navy.

Sanctions were granted during the month for the following events:

March 24—Dual aquatic games, Baltimore Central and Washington Central Young Men's Christian Association, at Baltimore.

March 25—Dual aquatic games, Baltimore Central Young Men's Christian Association and Princeton University, at Baltimore.

March 26—Dual wrestling match, Washington Young Men's Christian Association and Princeton University, at Washington.

April 8—Dual indoor track and field games, Baltimore Central and Washington Central Young Men's Christian Association, at Washington.

April 15 and 16—South Atlantic swimming championships, at Baltimore Central Young Men's Christian Association.

May 7 (optional)—Washington Times-Baltimore News Inter-city Marathon run, from Laurel, Md., to Baltimore, Md.

May 21—Outdoor track and field games, Baltimore Central Young Men's Christian Association.

The Richmond athletes registered are L. F. Schmidt, J. L. Rice, J. V. Rice, C. M. Schmidt, G. E. Weiner, W. Doeppel and W. G. Nichols, of the Fulton Baptist Athletic Association, and C. W. Lefebvre, of St. Paul's School.

### DEFEATED BY LEAGUE TEAM.

Cornell loses to Washington American League team by score of 7 to 3.

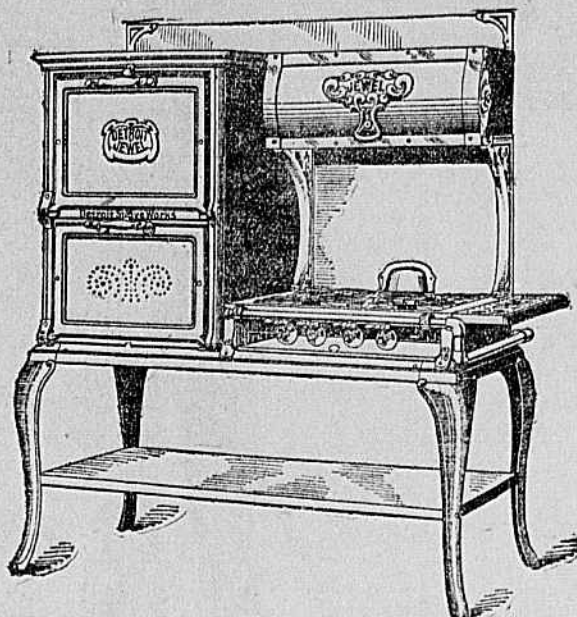

[Special to The Times-Dispatch.]  
Washington, April 2.—The Washington American League team met the baseball team from Cornell University to-day and defeated it 7 to 3. Fumbles in the first inning by Goodwillie, the Cornell pitcher, were costly. Cornell out-hit the Washington players, but the hits were scattered.

The score: Washington ..... 220 10 11 0—7 5 3  
Cornell ..... 0 20 10 0 0 0—7 4  
Johnson, Walker, Oberlin and Street and Hardy; Goodwillie and Williams.

NAVY LOSES TO AMHERST.  
Northern Team Continues Its Series of Victories on Southern Trip.  
[Special to The Times-Dispatch.]  
Annapolis, Md., April 2.—Amherst continued its series of victories on its Southern trip by winning from the midshipmen by 5 to 2 in a fairly well played and interesting game. The runs came in bunches, the visitors scoring three in the fourth and two in the eighth, while the whole score of the local players was made in the fourth. Amherst had something on the midshipmen in both halves of the fielding, but its particular superiority was timely hitting and work on the bases.

### ROANOKE COUNTY'S NEW COURTHOUSE

Roanoke, Va., April 2.—A large gathering of people from the county, Roanoke City, Christiansburg, Pulaski and other points assembled at the courthouse yesterday to attend the dedication of that building.

The structure is one of the handsomest of its kind in the State, and was erected at the cost of \$47,450, having just been completed. Apartments are arranged for every officer, including the Judge, Commonwealth's Attorney, Clerk and Treasurer, Sheriff and Tax Collector. The courtroom is spacious, and accommodates hundreds of spectators, and there is ample room for court officials. In addition to this there is a large gallery extending across the entire front. The walls of this room are adorned with portraits of distinguished citizens, as follows: Hon. John McCauley, Charles Johnson, the historian; a group of the present Town Councilmen; Circuit Court Judges Allen, Johnston, Hudson, Barntz, Blair and McOmaw; groups of the Board of Supervisors; County Judges Hupp, Deyorle Camp, Confederate Veterans, and of the Confederate soldiers of 1861; life-size portraits of Captain Robert Craig, Dr. Charles L. Cooke, Dr. Bittle, J. Allen Watts, General Andrew Lewis, Colonel Robert Logan, Colonel G. W. Hansbrough, Colonel William Watts, Colonel Henry Hupp; groups of Commonwealth's Attorneys, Treasurers of the county, Mayors of the town; General Edward W. St. John, Hon. John Trout, Dr. Frank Terrill, Judge John W. Woods, Hon.

A. M. Bowman, Dr. F. V. N. Painter, Major D. C. Shanks, Senator Martin, Ex-Governor Claude A. Swanson, Governor William Hodges Mann, Senator John W. Daniel, Congressman Carter Glass, Lieutenant H. S. Trout, Captain

of that building.

The exercises opened promptly at 10 o'clock with the Doxology, sung spiritedly by the audience, with Professor Young, leader, and R. H. Carper, cornet accompanist. Prayer was offered by Rev. E. W. Hubbard, and the Scripture lesson was read by Rev. J. R. Andrews. "America" was sung by the audience, and the oration was delivered by J. P. Saul Jr. The dedication ode was by Rev. P. V. N. Painter, D. D. Brief sketches were then read as follows:

"The New Courthouse and Its Builders," by Charles P. Dent, clerk. Remarks by Judge W. V. Moffett. Historical sketches of former Circuit Court Judges, by Hon. John W. Woods.

"General Andrew Lewis," by W. W. Coxie.

"Colonel William Fleming," written by Miss Fanny Moffett, read by Rev. C. T. Herndon.

### IT WAS ECZEMA

Scalp Trouble Puzzled Specialists but Was Easily Cured.

A few months ago the case was reported of a little girl living in Hackensack who was sent to three different hair specialists in New York for treatment of a scalp affection which they considered a contagious disease. One went so far as to have her hair shaved off. Later the trouble was found to be a simple case of eczema, which was cured in a few days by posium.

In the various forms of skin troubles in both infants and adults, posium produces beneficial results from the first application. Eczema, acne, herpes, tetter, etc., yield readily to its remarkable curative properties. Occasional application will quickly banish pimples, blotches and complexion blemishes, and will relieve and cure itching feet, scaly scalp, humors, etc.

Posium can be had for 50 cents at any reliable druggist's, particularly "Fragles," who makes a specialty of it. Or the Emergency Laboratories, No. 32 West Twenty-fifth Street, New York City, will send a trial supply free by mail to any one who will write for it. This is sufficient to show results in 24 hours.

## NORFOLK PLAYERS BEATEN AT WHIST

Members of the Richmond Whist Club yesterday defeated eighteen players from Norfolk, in two sittings, by a final score of \$8 to \$5. Nearly every member of the local club took part in the games, which were one-sided, although the visitors took defeat gamely, and the best of fellowship existed. The Norfolk players were entertained at supper at Murphy's Hotel.

### DEFEAT FOR HAMDEN-SIDNEY.

Delaware Team Put Up Strong Game. Score is 5 to 3.

[Special to The Times-Dispatch.]  
Hamden-Sidney, Va., April 2.—Delaware, out in the tables on Hamden-Sidney this afternoon, and took the game by the score of 5 to 3. The visitors put up a good exhibition of baseball, and the home team was decidedly off in their playing, making ten errors, a number of which were costly. Up to the ending of the ninth inning Norfolk, picking for the visitors, was leading 4 to 1, but in this season's calculations made a great rally, and secured four hits in rapid succession, which netted three runs.

The features of the game were the consistent playing of Delaware, the remarkable ninth inning rally of the home team, and Yeager's great three-base drive to right field.

Summary: Batteries—Curry, Lewis and Lee; Delaware, Knoph and Marshall. Struck out—By Curry, 9; by Lewis, 2; by Knoph, 11. Hits—Off Curry, 5; off Lewis, 1; off Knoph, 6.

Lynchburg Tobacco Market. [Special to The Times-Dispatch.]

Lynchburg, Va., April 2.—The following is the report of leaf tobacco sales on the Lynchburg tobacco market, as furnished by John D. Olesby, of the Lynchburg Tobacco Warehouse Company (Inc.):

Sales week ending April 1, 575,000 pounds; sales week ending March 25, 900,000 pounds; sales week ending April 1, 521,000 pounds; sold from August 1, 1909, to April 2, 1910, 19,350,400 pounds; sold from September 1, 1909, to April 1, 1910, 15,721,000 pounds; decrease for 1910, 4,029,400.

Sales were large this week, taking into consideration the season of year, but the quality of the offerings was a disappointment for a large percentage was non-descript, and much of the better types was damaged by mould.

All desirable grades of tobacco were in demand, and prices as a whole were about as last week. Wrappers were scarce, and those offered brought low prices.
